EXPERIENCE

Senior Graphic Artist

CrisAngel Tailoring and Apparel

📅 10/2024 - 05/2026 📍 Lapu-Lapu City

Oversee the end-to-end manufacturing pipeline for custom sportswear and streetwear lines, ensuring seamless transition from concept to production. Engineer high-precision, full-dye sublimation vector layouts and construct detailed structural garment mockups. Collaborate closely with production teams to enforce strict quality control, aesthetic alignment, and color consistency across all textile prints.

Graphic Designer

Syong Moto & Apparel

📅 06/2022 - 08/2024 📍 Cebu City

Designed and produced creative graphics for Syong Moto & Apparel, specializing in custom sublimation jersey designs, apparel layouts, promotional materials, and branding assets. Developed visually appealing designs tailored for motorcycle enthusiasts, sports teams, and apparel clients while ensuring print-ready quality and consistent brand presentation.

Freelance Graphic Designer

Don Macchiatos

📅 06/2022 - 10/2023 📍 Remote

Worked as a Freelance Graphic Designer for Don Macchiatos, creating engaging social media graphics, promotional posters, marketing materials, and branded visual content. Developed creative designs that strengthened brand identity, promoted products, and supported digital marketing campaigns across various platforms.

Graphic Artist

RKJ Clothing Co.

📅 03/2021 - 04/2022 📍 Cebu City

Created and developed high-quality sublimation designs for RKJ Clothing Co., producing custom apparel graphics, jersey layouts, and detailed vector artwork while ensuring accurate colors, precise placement, and print-ready execution from digital design to final garment production.

SUMMARY

Graphic Designer / Graphic Artist with 4+ years of experience specializing in sublimation apparel design, vector artwork, branding, social media graphics, and print production. Experienced in creating high-quality sportswear, jersey, and garment designs from concept to final production while maintaining accuracy, color consistency, and brand standards. Skilled in collaborating with clients and production teams, developing marketing materials, and delivering creative designs for apparel and digital platforms.
